Appointments

Our office hours are by appointment only. We realize that your time is valuable and will always strive to be on time for your appointment. Because the number of patients we can see is limited, the unkept appointment of one patient is a wasted opportunity to help another in need of care. For this reason we do require two working days notice for all cancellations with the exception of acute emergencies.

Your Dentist

Dr. Beuligmann received his Doctorate of Dental Surgery (D.D.S.) at Emory University in Atlanta, Georgia.
